

Become a 'Friend'

Friends of Bramcote Old Church Tower is a group of interested people willing to support work in promoting the Tower as a community area for use by a wide variety of people.

It is our vision to make the site available at all times for visitors to look round, to read the information panels to find out more about the village of Bramcote, to learn about the flora and fauna of the site and discover why particular plants have been chosen for the Physick Garden. They can also explore the gravestones and tombs. School parties are most welcome.

For an annual membership subscription of £5.00 you will receive:

- a welcome letter acknowledging your payment
- a free Tower key ring, worth £1.50
- twice yearly newsletters
- priority notice of all events
- reduced entrance costs to events
