

BRAMCOTE CONSERVATION SOCIETY

MEMBERSHIP 1st April 2008 - 31st March 2009

Dear Member/Resident

The village of Bramcote was designated a Conservation area in 1970 and the Society was formed the following year. The aim of the Society is the care, preservation, renewal and enhancement of buildings of historical and architectural significance in Bramcote, and their environment. This includes monitoring development proposals affecting green belt, woodland and wildlife in the area. The Society embraces all parts of Bramcote and welcomes active support in its endeavours.

The Society produces a newsletter twice a year, which can now also be accessed on line, at www.bramcoteconservation.org and organises events in spring and autumn as well as holding its AGM in June.

The membership subscription is £3.00 for an individual and £5.00 for a couple. If you are renewing your membership please would you also complete the form and send your remittance to the Treasurer.

Yours truly

Hon Treasurer
