

BRAMCOTE CONSERVATION SOCIETY

MEMBERSHIP 1st April 2011 - 31st March 2012

Dear Member/Resident,

The village of Bramcote was designated a Conservation area in 1970 and the Society was formed the following year. The aim of the Society is the care, preservation, renewal and enhancement of buildings of historical and architectural significance in Bramcote, and their environment. This includes monitoring development proposals affecting green belt, woodland and wildlife in the area. The Society embraces all parts of Bramcote and welcomes active support in its endeavours.

The Society produces a newsletter twice a year, which can also be accessed online at www.bramcoteconservation.org, and organises events during the year as well as holding its AGM in June. Also this coming year a membership card will be issued, which may provide benefits to some members, when using local businesses and craftsmen.

The membership subscription is now £5 for an individual and £8 for a couple. If you are renewing your membership would you please complete the details below and send with your remittance to the Treasurer.

Yours sincerely,

Tony Smith

Treasurer

BRAMCOTE CONSERVATION SOCIETY Membership Subscription **1st April 2011 - 31st March 2012**
